

WHY CHOOSE US?

FOR YOUR NEXT PROJECT

01 Integrity

We live and work ethically; confidentiality and integrity are paramount. Safeguarding our character and reputation, as well as our clients, is essential to us.

02 Customer Commitment

Our clients are our top priority. We manage our client's time, money, and resources as if they were our own.

03 Accountability

Our company is a leader and so are the individuals in it. We stand by the quality of our work product and the working relationships we have built.

04 Teamwork

We believe teamwork works. We listen to listen rather than listen to respond.

Complete Mineral & Land Services

Industry Expertise since 1981

OUR COMPANY

For more than four decades, B.J. Kadrmas Inc. has provided mineral and land services to public and private entities throughout North Dakota, South Dakota, Montana, Wyoming, and Oklahoma. With an unparalleled attention to detail, we take projects from conception to completion with precision and solid communication. In our 40+ years in business, we have fostered long-lasting and trusted relationships with land and mineral owners, government agencies, and the private sector.

**FROM MINERAL
MANAGEMENT TO
RIGHT-OF-WAY, WE'VE
GOT YOU COVERED**

OUR MISSION

WORK WITH PURPOSE

We want to do our part to ensure America is energy independent and secure. We champion all forms of energy production, so the citizens of this great country have safe, clean, and cost-effective energy options.

**WE ARE COMMITTED TO
PROVIDING OUR CLIENTS WITH
TIMELY AND ACCURATE RESULTS
AT A PRICE POINT BETTER THAN
THE COMPETITION.**
